Gift Ideas/Mother's Day

Silk Pashmina Shawls
These high quality Pashmina are handmade with 70% top-quality Pashmina wool and 30% high end Silk. The combination of these high end materials make this Pashmina very soft to the touch and an absolute pleasure to wear. Each Pashminas measures in at full 28" x 80" with an extra 3" of tassels on both ends. The colours are very rich exposing the different hues of each tone, making this a fabulous fashion accessory and gift to yourself or a loved one. We were so thrilled with the materials, feel and price of these Pashminas that we simply had to carry them as part of our Gift Product line.

- Made by hand in Kashmir, India.
- Dry Clean Only.

Risedale Lift Chairs

"Risedale" Lifting Seat Chair

The Risedale is a classic wing chair with built-in seat-lift that fits your lifestyle. It combines the style you want with the function you need. Its compact size works well for people living in small spaces, such as assisted living. The new and improved model now features increased padding for superior comfort and back support, as well as extended arms for improved safety on exiting the chair. The Risedale operates via a discreet power lever positioned at the side of the cushion. Simply push and hold the power lever forward to rise, pull and hold to lower. The lift will stop automatically when the lever is released. Patented technology lifts only the seat cushion, not the entire chair. The Risedale is compact, affordable and easy to use. It weighs only 65lbs and lifts up to 300lbs. The Risedale features custom height adjustable legs and its classic brocade fabric comes in four attractive colours: Sand, Cabernet, Midnight and Spruce. Made of 53% Acrylic and 47% Polyester, the fabric is shrink-and run-resistant.

"Drive Medical" ComfortFit EZ Full Face CPAP Mask

The ComfortFit EZ Full Face CPAP Mask from Drive Medical is designed to provide you with effective sleep therapy every night. With no clunky forehead pad, this mask allows you to perform tasks in bed such as reading and watching television without the mask getting in your way or blocking your view. No forehead pad also means that this mask fits more comfortably allowing you to sleep throughout the night. The included headgear, made of a special breathe-o-prene fabric, is moisture wicking to increase comfort for the duration of the therapy. The mask will fit securely, making your sleep therapy treatment effective throughout the night. The 100FDseries of masks conforms comfortably to the user's face without the need for a forehead pad, allowing the user the ability to read, watch TV and feel less confined while on PAP therapy

- Available in small, medium or large **AC5241 $115** Sale $109

"Drive Medical" NasalFit Deluxe EZ CPAP Mask

The NasalFit Deluxe EZ CPAP Mask has a soft silicon cushion, comfortable forehead plate with silicon pad, and a 360° rotational elbow, which are designed to increase comfort, compliance, and mask stability. Adjustable headgear, easy to assemble cushions, and a lightweight streamlined design help to ensure proper fit and minimal leak during sleep. By providing a mask option without headgear, a more cost effective option is available based upon the reimbursement schedule.

- Latex Free.
- Available in small, medium or large

"Abena" Abri-Form Original X Plus Night Briefs

Abena Abri-Form briefs are perhaps the finest adult diapers in the world. They feature soft standing leak guards, four refastenable tapes, and an elastic waistband for a comfortable fit. The key feature of AbriForm briefs is their incredible absorbency. Just one X-Plus brief offers up to four times the absorbency of a typical store-brand product. These are the plastic-backed version. The anatomical shape as well as the waist elastic and soft elastic border ensures a high degree of comfort and security. The use of long super absorbent cellulose fibres, a unique fibre separation technique, and an additional core in the centre provides for a maximum absorption, strength and dispersion of the absorbed liquid.

Dry Care® Where Confidence and Dry meet 24/7

ConfiDry 24/7 Maximum Absorbancy Briefs

These new ConfiDry™ briefs from Dry Care™ are designed for heavy incontinence and maximum protection, with a 3-D Core Absorbance System that boasts a capacity of up to 2-3 litres. Its dependable leak control system keeps skin, clothing and bedding dry for 12 hours or more, allowing for 2-3 changes in a 24-hour period. Its exceptionally strong and durable construction combined with soft, downy linings help in preventing severe skin problems; guarantee skin dryness, odour control and pH neutralization. All briefs are plastic-backed.

- Acquisition layer allows faster urine penetration, thereby preventing a wet feeling in sensitive areas.
- All Briefs feature a white plastic waterproof outer layer
- Refasten-able tabs are easy to use and can be opened and refastened numerous times without discarding.
- Elastic, tall-standing legs (leg cuffs) provide extra protection and security from leakage.

"Abena" Abri-Flex Pull Ups

Abri-Flex is a soft, elastic and easy to use absorbing pant, enhancing the users feeling of freedom and dignity by ensuring both total security and maximum comfort. Abri-Flex increases the opportunities for self management whilst offering a potential resource, saving in areas such as nursing staff time. The elastic waist ensures a perfect fit and high comfort level as Abri-Flex adapts to the individuals size. The elastication in both waist and crotch is manufactured from an environmentally friendly lycra material. A visible thread colour identifies the size. The side seams can be torn open, making Abri-Flex very easy to remove.

"Tranquility" TopLiner Booster Contour Pad

Tranquility TopLiner™ Booster Contour Pad is an unique wider design of this pad effectively contains larger amounts of fluid and bowel incontinence. The flow-through top and back sheet allows the liner to fill to capacity then pass additional fluid to the host garment. The soft texture makes clean up easier. Contour booster pads are convenient to change, easy to dispose of, and economical. Latex-free.

AC427

"Abena" Abrilet Maxi Pads

Abena Abri-Let Maxi Pads are recommended for light to moderate incontinence. These are booster pads to be used inside a diaper or pull-up for added absorbency. Abri-Let pads can also be used for faecal smearing. This famous brand of incontinence products is often referred to as the "Royals Royce" of Adult Diapers because of the high quality, super absorbancy and extremely high thread count per inch which makes them so comfortable.

AC1274

"Tranquility" TopLiner Super Plus Booster Contour Pads

These Booster Pads Are Designed As Flow-Through Pads That Fill To Capacity And Then Pass Additional Fluid To The Disposable Brief. They Economically Extend The Use Of The Original Undergarment And Are Easy To Change And Dispose. Topliner Super-Plus Contour Pads Improve Wearing Comfort By Ending Leakage, Rashes And Nighttime Changes. Their Hourglass Shape Is Specifically Designed To Contain Bowel Incontinence As Well As Liquid, And Their Soft Texture Makes Cleanup Easier. in discretion and protection.

AC2713

"Tena" Ultimate Overnight Pads

TENA Ultimate Pads Overnight Bladder Control protection are designed to get you through the night! Uniquely shaped so they are wider at the back and front to protect better when you are lying down. Advanced absorption technology and a cottony-soft top sheet keep you dry and comfortable while you sleep. And like all TENA pads, TENA Ultimate Pads Overnight feature Advanced Odour Protection to fight odours.

AC1200

"Tena" Day Plus Pads

These are anatomically-designed for comfort and security, and the Dry-Fast Dual Core™ ensures long-lasting dryness. A wetness indicator on the outside makes it easy to determine whether changing is required and reduces the need for intrusive checking.

- Added absorbency for bladder and/or bowel control protection
- Dry-Fast Dual Core™ quickly absorbs fluid for greater security and increased skin dryness
- Soft, cloth-like outer cover is less noisy for improved comfort and greater dignity

AC425

"Abena" Abri-Let Anatomic Pads

Abri-Let Anatomic is a multipurpose pad, offering a high level of comfort, security and functionality due to the anatomic shape and the new optimized core.

The anatomic shape:

- Is a natural development of previous rectangular pads
- Makes the product easier to apply compared to rectangular pads
- Gives optimum comfort for the user
- Gives optimum security against leakage
- Can be sterilized, making it suitable for use after operations.
